DYNAMIC EARTH TERRE DYNAMIQUE

EXPLORING EARTHS GIFTS

KINDERGARTEN SCHOOL PROGRAM
Preschool and Kindergarten | 30 minutes
Problem Solving and Innovation | Indigenous Ways of Knowing

Introduce your class to our amazing Earth and its gifts!

Students will use tools and their senses to explore Earth's gifts in a safe and respectful way. While at Dynamic Earth, students will be introduced to Indigenous Ways of Knowing and be encouraged to think about the bigger picture of how Earths gifts are all connected!

KEY LEARNING OBJECTIVES

- Identifying, sorting, selecting, and using tools
- Introduce students to indigenous ways of knowing.
- Thanking the earth for its gifts
- Thinking about how different objects in nature are connected.
- Learn about safe exploring strategies
- How to say “Thank you” and “Hello” in Anishinaabemowin

SCIENCE TOOLS

Explore kits | Toolbox and Explore mats | Gifts of Nature
