What happened?	
Where in Canada do you think this happened?	
What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?	

--	--

<u>Disaster #3</u>	
What happened?	
Where in Canada do you think this happened?	
What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?	

<u>Disaster #4</u>	
What happened?	
Where in Canada do you think this happened?	
What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?	

<u>Disaster #5</u>	
What happened?	
Where in Canada do you think this happened?	

What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?	

<u>Disaster #6</u>	
What happened?	
Where in Canada do you think this happened?	
What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?	

<u>Disaster #7</u>	
What happened?	
Where in Canada do you think this happened?	
What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?	

--	--

<u>Disaster #8</u>	
What happened?	
Where in Canada do you think this happened?	
What do you think caused it?	
Was it caused by geological or climatic factors or both?	
Who was affected?
