

NEW PROGRAM OFFERINGS!

Science North is excited to be launching our Homeschool Membership Program. Join us for the 2019-2020 school year as we offer innovative and hands-on school experiences for your children!

Each Homeschool Monday, students will spend the day with a Bluecoat in their lab exploring various science topics. Students will perform experiments using scientific equipment, design and prototype exhibits, explore science in the great outdoors and become scientists themselves!

MEMBERSHIP RATES

- Families may choose to purchase a Homeschool Student Membership for \$40 per student plus applicable taxes or pay the non-member rate per visit per student. Please visit sciencenorth.ca/schools for a full list of non-member prices.
- Families who purchase Homeschool Student Memberships receive a membership card that identifies the parents and students.

Memberships are valid on the following Homeschool days (on Mondays) for curriculum-based school programming:

- Memberships are also valid for one (1) general visit day per month, starting September 4th, 2019 through to May 29th, 2020 (excluding January). General visit days are weekdays (Monday-Friday) and do not include holidays or special events.

MEMBERSHIPS INCLUDE

- Curriculum-based school programs, which may be booked as per annual schedule.
- Savings on the price of IMAX® films and the Planetarium.
- Savings on the price of admission to Science North and Dynamic Earth**.

BOOKINGS

- A maximum of 30 students are booked into school programs. Only students who are booked into a program are invited to attend. To ensure best learning outcomes, these students must be in the grade range specified for the program*.
- In order to ensure availability for a certain program, please make your selections for the entire year as early as possible.
- You must book into the programs by the Wednesday before Homeschool Monday.

CANCELLATIONS

- Programs will run as scheduled with no minimum requirement for attendance.
- Students must be present at the start time of the program to be able to participate.* Late arrivals will not be admitted to the program.
- Students must be in the grade range specified for the program, and be registered in the program to participate. Students that do not meet the grade level or are not registered will not be admitted to the program.
- You may cancel your visit at any time by e-mailing schoolvisit@sciencenorth.ca. Otherwise, we will expect your group on the date booked.

COMMUNICATION WITH SCIENCE NORTH

- All bookings must be made on-line at sciencenorth.ca/schools
- Any communication (whether to an individual Sales Agent or to the overall group) must be e-mailed to schoolvisit@sciencenorth.ca, never to any personal Science North e-mail.
- When checking in at Science North or Dynamic Earth at the beginning of a school program visit, we ask that you have your homeschool membership card with you.

*Once this is done, the group will present itself at the program location at least five (5) minutes before the program is set to begin. **Note: Dynamic Earth's programs will not be available from September 23rd, 2019 to November 4th, 2019. Science North is an agency of the Government of Ontario. Dynamic Earth is a Science North attraction. IMAX® is a registered trademark of IMAX Corporation.
