

Activity Sheet

Name of scientist:

1. With a partner, draw what materials you will need on your grid.
2. Draw the code on your grid.
3. Test it out!

Check off the items that your bee-bot collects!

Material	Collected?
	
	
	
	
	

Reflection

Let's reflect on our activity as a class. Circle your answer YES or NO to answer each question. 😊

1) My code worked the first time. YES/NO

2) I made changes to my code after testing it out. YES/NO

3) My Bee-Bot was able to collect all the building materials. YES/NO

4) This coding activity was fun! YES/NO
